- A) The quarterly newsletter „Voice of the Aquarian Age,, (Stimme der Wassermannzeit) is FIGU's official magazine and contains all announcements regarding new publications of written material and events, etc. (language: German!)

It is MANDATORY for all PASSIVE GROUP MEMBERS to obtain a subscription of the „Voice of the Aquarian Age“ (Stimme der Wassermannzeit). The subscription charges for the first 12 editions (for 3 years) must be paid with the first annual FIGU membership fee as follows (*all charges include free Shipping and handling*):

Switzerland	CHF 90.00
Foreign Countries (Europe)	CHF 105.00
Overseas «Economy»	CHF 115.00
Overseas «Priority» Air Mail	CHF 170.00
(with air mail postage surcharge)	

- B 1) ANNUAL FIGU MEMBERSHIP FEE for PASSIVE GROUP MEMBERS CHF 30.00
2) One-time application and I.D. fee CHF 30.00

- C) Furthermore, in accordance with a resolution passed at the Passive Group General Assembly on May 9, 1992, a mandatory annual contribution of 7% of one (1) month's salary must be made. Starting with pension age this annual contribution of 7% is cancelled.
Upon recommendation by the Plejaren Committee, this contribution is reduced to 4% by May 23, 2026. The annual membership fee and once-a-year contribution of 4% of one (1) month's salary must be received by FIGU no later than April 25th, otherwise the Passive-Group membership becomes automatically null and void.

- D) As of March 9, 2024, the Plejaren Committee recommended that the obligation to work 3 days and also the CHF 70 per missed working day is waived and changed to voluntary collaboration. (The voluntary working days can be fulfilled between 1st of April and end of October.) On the one hand, the 3-days working rule serves the maintenance and upkeep of the SSSC, and on the other

hand its primary purpose is to get to know each other, and to allow the Passive members to get some insight in FIGU and its tasks and activities.

- E) On the 4th Saturday in May of each year a Passive Group General Assembly will be held in Switzerland and each member should be present if possible. At the Assembly each Passive Group member has a voice and may vote on certain parts of the agenda if necessary.
- F) I am aware that, in accordance with the FIGU's Statutes, I am obliged to apply for a membership I.D. from FIGU. I am enclosing **one recent passport photo** to be used for the I.D. and the FIGU membership files.
- G) FIGU I.D APPLICATION:
- 1a) The I.D. given to me by FIGU does not represent an official document and must not be misinterpreted and/or misused as such.
 - 1b) Misuse of the I.D. will result in its confiscation without compensation for any damages incurred, including legal charges by local authorities.
 - 1c) FIGU refuses to accept any responsibility on the I.D. owner's behalf for any repercussions resulting from I.D. misuse.
 - 1d) The use of FIGU's Passive Group membership I.D. as a pseudo-official document is punishable by law and is, accordingly, governed by the legal system's charges and prosecution.
 - 2) The Free Community of Interests' I.D. is a FIGU document as well and serves to verify the bearer's connection with this group, and to confirm his/her membership. Simultaneously, it represents the bearer's authenticity in contrast to other like-minded, but non-FIGU groups and private individuals with the same interests.
 - 3) A FIGU I.D. is only provided in conjunction with the study of the „Spirit Lessons“ (Geisteslehr-Briefe) or a membership in a FIGU group.
- H) I am aware that a PASSIVE-GROUP FIGU membership indicates that each and every STATUTE, as well as all resolutions of the Passive Group General Assembly, apply to me fully, and that I entirely concede to them.
- I) I acknowledge, accept, and consent to all of the above points, rules regulations and personally declare myself in agreement with all of them.
